THE CORNER STONE.

The executive committee, as directed by the Improvement Association, communicated with the government authorities by letter last week with reference to the laying of the corner stone, and also authorized Mr. C. D. Lufkin, and Mr. W. J. Coelho, who went to Honolulu, on Saturday to personally interview officials.

On Wednesday evening the executive committee met to consider the report of Messrs. Lufkin and Coelho, who stated that they had interviewed Governor Carter, Supt. of Pub. Instructions Atkinson and Supt. of Pub. Works Holloway all of whom expressed pleasure at being requested to act in the matter. But Governor Carter, who is now in Kauai leaves for the Coast about the twentieth, and Supt. Atkinson is sick in bed, consequently the government officials desire the people of Wailuku to proceed with the matter, Supt. Holloway offering to have a proper corner stone prepared.

The executive committee therefore appointed the following committees:

Literary; A. N. Kepoikai, Rev. W. Ault, G. B. Robertson.

Music; C. D. Lufkin, M. Kaubimahu, J. Garcia.

Reception; D. H. Case, Father Julien, W. T. Robinson.

Invitation; Dr. J. Weddick, H. M. Coke, J. N. K. Keola.

Corner Stone; J. N. S. Williams, Dr. E. Armitage, H. B. Harry.

Transportation; R. W. Filler, J. L. Coke, T. B. Lyons.

Finance; L. M. Baldwin, H. B. Penhallow, W. G. Scott.

Refreshments; R. A. Wadsworth, S. Kelinon, George Weight.

It was also decided by the committee that Saturday, the 21st day of May, at 10 o'clock a. m. be selected as the time for laying the corner stone as on that day a number of Honolulu visitors can be with us, coming over the day before and returning that afternoon. By vote of the committee Judge McKay was selected as master of ceremonies and Hon. H. P. Baldwin, as senior Senator of Maui is to be requested to lay the stone. The committee meets again next Wednesday evening to further perfect arrange and prepare a report of their work to be submitted to the Improvement Association which hold their regular monthly meeting next Thursday evening, at which meeting, by the way, all members and all desiring to become members should be present.

In this connection the News desires to contradict the statement being made on the outside that the Improvement Association are trying to run Maui. On the other hand, the leading members desire to attend only to the affairs of their own district if allowed to do so.

18 to 5.

Is what it cost the Kahulis to come on the diamond with a lame pitcher. The Wailuku and Makawao had proved such easy meat for the Kahulis that they went in weak handed to win from the Stars. But as a matter of fact it takes nine strong, healthy men to beat the black twinklers. Had Jackson been in good fettle, the game would have been too close to be comfortable.

The Kahulis scored three runs and goose-egged the Stars in the beginning of the game, but Pitcher Jackson, who has not yet recovered from his recent accident, broke down in his pitching, and the Stars rallied and simply ran away with the game. Cummings of third went to the box, but unfortunately wrenched his ankle in a rush to first, which put him out of the game, Hudson doing his stunt for the last few innings.

The Stars played their usual steady game, spoiled only by one horribly wild throw from first baseman Smith, who is generally a cool and safe player, thus giving the Kahulis two runs. This sobered down the Stars, who had been feeling coltish, and they settled down to a smooth beautiful game which they kept to the end.

The star event of the game was a triple play. Kasai popped a fly which was nabbed by Pitcher Krueger. Just then a voice from the grand stand yelled, "Look out for second!" Ned, who is not generally asleep, "caught on," whirled around and sent the sphere to second where it was handled by second baseman J. Garcia to the undoing of Lloyd who was pawing dirt for second. Then Garcia sent the ball to home plate where Catcher Tom Krueger happened to be just then. Tommy pawed the ball and gently rubbed it under the nose of Morris who was sprinting for the home plate, and the triple play was done.

The following is the official record of the game by innings.

Kahulis.....1 2 3 4 5 6 7 8 9
Stars.....3 0 1 0 0 1 0 0—5
M. Stars.....0 0 5 4 1 0 4—18
